Thank you for agreeing to help Story Protocol, Inc. (“**Story**”) test and validate our emerging protocol (the “**Protocol**”). This Alpha Testing Agreement (this “**Agreement**”) is entered into between Story, a Delaware corporation, and you (as an individual and on behalf of the entity who you represent) (“**You**”). This Alpha Testing Agreement governs your access to and use of the initial version of the Protocol, including certain pre-release software, pre-release developer dashboards, and related software (collectively, the “**Software**”) and API offered by Story to You solely for testing and evaluation purposes. Further description and related details of the Software and the API may be provided to you at the time you access or engage with the Software and the API.
